

Abdellah Seid

Full-Stack Website & Mobile Developer

✉ abdellahseid0987@gmail.com ☎ +251 987123834 🔗 [Portfolio Website](#)

PROFILE

Software Developer with hands-on experience building responsive web applications and full-stack solutions using React, Next.js, Node.js, Supabase, Firebase, and modern databases. Recently expanded into mobile application development with Flutter, with a strong interest in building scalable web and cross-platform mobile applications. Experienced in API integration, authentication, database management, UI development, and delivering complete software solutions.

PROJECTS

Jadwa Scope 🔗 , *Business Intelligence* 05/2026 – 08/2026

Jadwa Scope is the operating intelligence platform for ambitious companies in Ethiopia. Operating across 10 sub-cities, model 10-year ETB cashflows, and secure MoTRI compliance — without leaving the line.

Akademik 🔗 , *Academic Collaboration* 02/2026 – 04/2026

Akademik is an AI-powered academic platform that simplifies research, study, and collaboration by connecting students with intelligent research tools and collaborative workspaces.

PharmaAssist 🔗 , *Smart pharmacist* 09/2025 – 10/2025

PharmaAssist is an AI-powered virtual pharmacist that identifies possible conditions from symptoms and delivers clear, trustworthy medical information to support informed decisions.

SnipBase 🔗 , *All-in-one developer hub* 08/2025 – 09/2025

SnipBase is a distraction-free hub combining daily tools, snippets, and docs. Built for efficiency, it eliminates clutter to accelerate development from idea to code.

Kushna Culinary 🔗 , *AI-powered food platform* 07/2025 – 08/2025

Kushna is an AI-powered food platform with a catalog of 500+ foods and beverages, delivering clear ingredients and step-by-step preparation guidance for everyday use.

CodeSlot 🔗 , *Jobs aggregator* 02/2025 – 03/2025

CodeSlot aggregates real remote front-end developer jobs from trusted global sources, helping developers find legitimate opportunities fast—without noise or scams.

ORGANISATIONS

Askuala Link, *Front-end Developer* 05/2025 – Present | BahirDar, Ethiopia
